

New Hire Onboarding SOP

Purpose:

This document is the SOP for the onboarding of new employees.

Scope:

This SOP is to be used for onboarding new hires/employees.

Responsibilities:

The IT department (individual who takes the ticket) will be responsible for creating the accounts and related access to systems as part of the overall onboarding process.

Prerequisites:

This will only be done by the IT department, following our set SOP.

[SOPs](#)
